Receiving God's grace. Sharing Christ's love with all people

April 2024

#### A Blessed Easter to you all!

We are here already – through our longstanding tradition of Lent and Holy Week—into the season of Easter joy and mission. So that now, in our life together, is this 'invitation' to **live into our Easter life**.

It feels quite important (as I shared the Easter sermon) to imagine and to ask—out loud—"how is Jesus is appearing TO US these days?"

The 'appearances of Jesus' is what makes the resurrection real for those first disciples. By way of discovering an empty tomb...isn't so clear—that is more like the shell, an empty container left behind, etc. Their moment of belief and trust begins in the encounter with Jesus – His appearances are what make Easter real and faith-shaping. Of course, next for them comes much more nurture, learning, and growing. And interestingly, Jesus' Easter appearances often open with "Peace be with you," to fearful friends.

So for us, I suggested (in the Easter Sunday message) that our recent renewal work with one another is the fresh way that God appears among us—where we have been dedicating ourselves to:

1) opening the scriptures—listening for the voice of God, seeing Jesus love for the world—and

2) committing time for God's Spirit among us through faith conversations, and 3) dedicating ourselves in prayer for our vision of opening mission.

[PS: These steps echo the patterns of the Early Church in the Book of the Acts of the Apostles.]

And once we traversed through many questions and into fruitful insights as to the 'why our congregation exists' in the Jackson community, God has been instrumental in helping us form language for 'How we believe God is guiding us in our present setting'.

Consider this unfolding perspective of our mission: **Our Strategy is Community.** This concept means: as we are called to grow out of the fundamental promise that God's love in Christ is our source and seed, it is this love in Jesus which invites us into a relationship with our neighbor with a courage that knows no boundaries in our care for one another.

<u>One Recent Example</u>: several weeks ago several of us at our congregation began wondering about ways to support young families during the spring break. (As you know, usually Holy Week Tuesday is quite silent within our church facility) Yet through decisions and planning and teamwork (with a great many in our congregation), on Holy Tuesday we arranged an artistic event and meal for children, parents and grandparents that stretched the seams of our Fellowship Room—around 50 children and 20 adults, (plus all the helpers) filled our place with community nearly to overflowing.

Thanks be to God for our imagination. Thanks be to God for all the delightful children expressing their hands and hearts in artful decorations of eggs and cookies (The appreciation from each generation was spoken often). Thanks be to God for this 'new story'—a new realization of what can happen out of the invitation to love our neighbor. Easter faith opens doors in surprising ways.

Thanks be to God! Pastor Tim
