Receiving God's grace. Sharing Christ's love with all people

February 2026

Our brother and sister bishops in six synods of the ELCA in Minnesota have issued a public letter regarding the escalation of violence. And within our congregation we are lifting prayers...for healing, for deescalation, for lawfulness, and for an end to the dehumanization of people, especially the horrific cruelty to immigrant people.

How do we faithfully respond? with dignity and purpose? Each is called to live into opportunities to shine light in these dark days, to be a vessel through which the Holy Spirit enlightens the world around you. Walking with God, we keep before us the baptismal calling: *"to work for justice and peace in all the earth."* This part of our mission is deeply challenging, and God guides us as individuals and as a congregation together.

Do you hear the incredible value of 'being the body of Christ together'? This phrase (above) was part of my pastor's report in our 2025 Annual Meeting booklet – filled with images, stories, programs, etc. of how we are following Jesus as individuals and as 'an interwoven community'. And while this annual meeting was like a conversation of 'how our life together is going', we were hearing a resounding YES— Yes, we understand this communal gift. Yes, we are prioritizing our being together in this world for the sake of our calling into the mission of the living Christ.

A highlight in '25 was our summer celebration—reflecting on 40 years as a worshipping and serving congregation in Jackson. One witness: "It was a REKINDLING of Shepherd of the Mountains Lutheran Church!" And as this body shared experiences with one another (oh, so many stories), and in the presence of previous pastors, it sounded to me like songs of joy and mission for the purposes of being the life of Christ—to love the world.

How our congregation will thrive. Answers to the challenges of thriving are various, and they are also vigorous. I shared with everyone in our annual meeting that our efforts to thrive in 2026 include a fresh adventure: our council has secured a grant through our synod that will bring inspiration to our whole body – Helping Congregations Thrive, a congregation-wide refreshing and renewing program.

The purpose of these efforts are for constructive change in two dimensions: 1) lifting up and strengthening **what we value most**, and 2) inspiring and guiding us to innovate for **wider relationships**—both within our congregation and into the lives of our neighbors.

In our unfolding future, here are additional questions that will guide our conversations:

- * What are we valuing the most about Shepherd of the Mountains Lutheran Church?
- * When do you feel like you've participated in God's mission – through our congregation and in your own circle of influence in this in this world?
- * Where do you see God leading us?

On this night, we mark our forehead in a cross shape; we remember both our *Mortality & Forgiveness* with songs, readings and prayer.

UKD Tumaini Lutheran School Scholarships

Our outreach toward the UKD Tumaini Lutheran school in Ulanga Kilombero, Tanzania continues to grow. Members of our congregation have been very generous with their financial support of helping our companion synod through this mission. Through a Mission Investment Fund, which is funded by ongoing donations from churches and individuals, girls have been able to attend school each year. The cost to send a girl to school is \$800 for a year.

If you would like to take part in this outreach mission with our companion synod in Tanzania, you can donate using our jar at the back of the church.

All donations go directly to our Synod office, which then puts the money into the Mission Investment Fund to cover the cost of tuition, room & board for each student.

To date we have raised \$10,675.00 toward sending a girl to school, that is something to celebrate!
